

Welcome to United Global Trading FZE

A leading company dedicated to providing comprehensive waste paper, metal, and plastic recycling solutions worldwide.

About US

At United Global Trading, we bring over 25 years of dedicated experience in waste paper, metal, and plastic recycling. Our long-standing commitment to sustainability and responsible waste management has established us as a trusted leader in the industry. We are passionate about transforming waste into valuable resources, helping to reduce environmental impact and promote a greener, more sustainable future.

United Global Trading is a trusted name in the recycling industry, connecting businesses, industries, and communities to sustainable waste disposal and recycling services. With a global reach, we facilitate the efficient collection, processing, and recycling of waste materials to reduce environmental impact and conserve natural resources.

Delivering the best prices across the globe

DID YOU KNOW?

RECYCLING 1 TONNE OF PAPER SAVES:

19 TREES

35,000 LITRES OF WATER

4,500 KWH OF ELECTRICITY

(Enough energy to power the average home for 6 months)

318 LITRES OF OIL

Our company policy is based on excellence, accountability and quality service to all our customers. This has led to our excellent reputation within the industry.

United Global's expertise in sourcing waste paper, plastic scrap, and metal scrap globally, combined with our strong negotiation skills with shipping and transportation companies, allows us to provide a wide range of recycling grades at highly competitive prices. We serve various destinations across South East Asia, North East Asia, the Far East, and the Middle East.

Why Choose Us?

We offer comprehensive recycling, industry-specific waste management, quality control & sustainability solutions for businesses and corporations.

We Build

We build strong, agile teams of dedicated people with a results-oriented work ethic to align towards common goals.

We Challenge

We challenge ourselves continuously and commit to using the best available technologies and developing the Circular Economy.

We Care

We care for the future and value the development of our people and the communities where we operate.

We Think Ahead

We are located in Dubai. This location gives us excellent access to freight services to all points of the world.

We Know

Over 20 years of growth have enabled United Global as a reliable, financially strong, long term partner for our customers and suppliers.

We Value

We value diversity and cooperation with the fight against climate change. We see sustainability as a challenge.

Our Vision

Our vision serves as the framework for our Roadmap and guides every aspect of our business by describing what we need to accomplish in order to continue achieving sustainable, quality growth.

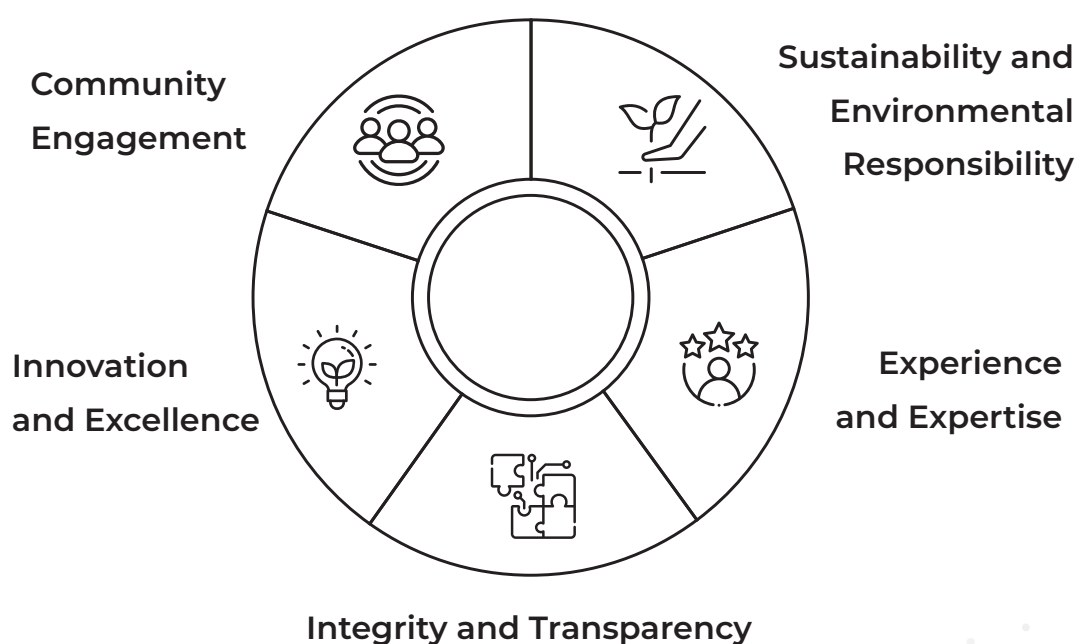

Our Mission

Our mission is to provide efficient, eco-friendly recycling solutions to businesses, industries, and communities worldwide. Through close collaboration with our partners, we ensure the responsible collection, processing, and reuse of recyclable materials, maximizing environmental benefits.

With a focus on innovation, integrity, and excellence, our experienced team utilizes the latest technology and best practices to optimize recycling processes. We believe that every piece of waste holds potential, and it's our purpose to unlock that potential for a sustainable tomorrow.

Join United Global Trading in making a positive impact on our planet. Together, we can create a cleaner, healthier world—one recycled item at a time.
